## **For clients seeking Medicare Reimbursement:**

**If you have Original Medicare with or without a supplemental plan follow the directions below. If you have the Medicare Advantage Plan don't use this form. Contact your Medicare Plan directly as they handle things differently**

- 1. Take the Receipt that I gave you for the dates of service and make a copy**
- 2. Fill out the Medicare form – CMS 1490S and attach the original**
- 3. Mail both to Medicare at First Coast Service Options, PO Box 2525, Attention Claims, Jacksonville, Florida 32231-0019**
- 4. Once you get paid, you must send the EOB (Explanation of Benefits) and a copy of the receipt that I gave you to your secondary. Clients tell me that for some reason, this expense doesn't bounce to the secondary as their other medical bills.**
